This mare loves having a job!! She works the flag, work cows, will run down the fence. She would be a **great ranch horse or show in cow horse or ranch rodeos**. Absolutely no buck bite or rear.

**LOT 21**                      **GRADE (PEPPER)**                      **MARE**  
 COLOR: Black    FOALED: 2002                      BREED:  
 OWNER: E. Regnerus

Pepper is a gentle mare. We are selling her grade, although she is nearly full Arabian. We direct rein her without a bit and it goes just fine. She probably can't push cattle all day, but she works good for giving kids rides and so on. If we take her on a longer trail ride, we give her an aspirin ahead of time as she has a touch of ringbone. Otherwise a good horse. 14.5 hands.

**LOT 22**                      **GRADE(RAIN)**                      **MARE**

Daisys New Playmate is a 2015 mare that has been used for all aspects of ranch work. She has flagged colts around, pushed cows, sorted cattle, doctored cattle and roped some wild colts! She is the perfect family horse. And your kids will love her. She's very handy broke. Great stop, spins both ways, slow trot, long trot, knows both leads and change leads! She would be awesome for a 4H kid wanting to win or take her to the AQHA shows and compete with the big dogs. She would do well in ranch riding or working cow horse class. 100% sound mind and body guaranteed. See super **video on Youtube**, search **Daisy's New Playmate** or see **Colby Dyer**

 OWNER: M. Pankratz

20 year old horse looking for a good home and someone who has the time to work with him. He has not been ridden in about 10 years, but in his earlier years was good at sorting and had been roped off of. He needs a good hoof trimming and he doesn't like you touching his ears. An experienced rider could get him right back there. 15 H.

This boy is a power house when it comes to trails. Dogs and traffic don't faze him. He is extremely easy to load, haul, and great for farrier. Will stand tied all day. He has great ground manners. He is ear sensitive as he used to have ear mites, but keeping Vaseline on them makes a big difference. He has no maintenance, extremely easy keeper. NOT FOR GAMES. 16.1 Hands.
