Joe is a 11 year old QH gelding. Big stoudt horse that is good on the trails. We have owned Joe for over a year. I was told at the time of purchase that he had been used as a pick up horse and headed steers. With me training outside horses, he has been put on the burner. I am not selling him as a room horse or a arena horse for the simple fact tat we have not roped on him. Your buying him as a trail horse and if he ropes, that is a bonus. 15.1 hands. I lost his papers, just have a copy so selling grade. You can contact the owner and pursue getting a new set.
