LOOSE HORSE SALE - Check this out! The top loose horse sold \$2,000, the top 15 Loose horses averaged \$1,650 and the top 25 Loose horses averaged \$1,413.00. Almost all of those top horses were geldings. One of the best averages for the Loose sale we have ever had, with no exceptional high price to set off a higher average.

The Gary Spelbring Annual Production Sale of 19 Fancy colored Yearlings, were a sale highlight as usual. They sold end of Loose sale due to not being halter broke - but that did not make a difference in price. Lots of cow on thier pedigrees & all with color and conformation to match made for top prices. His 10 stud colts averaged \$1,100, while the 8 fillies averaged \$509. His top yearling was a blue roan colt selling for \$1850. His top filly was a bay roan filly selling for \$750.

Had a number of miniature horses in both loose and catalogue and open consignment sale. Good demand. Most selling from \$95 to \$250 dollars.
