This 10 year old gelding is a real deal. He is kid broke, **guaranteed**. He stands very quiet and still when saddling and mounting. You can let the reins hang while riding him. He walks very quiet. He will trot and gallop at your command and go where ever you want him to. I have ridden him along a black top where semi trucks have passed. He don't flinch. He has been used to rope calves in the pasture. If You want a horse that won't hurt your kids or anyone, here he is! **Neg. Coggins**

Dundee has done just about any kind of ranch work there is. I've owned her for 4 years and I've packed on her in the mountains and pasture. she can be tied on solid and used to rope in the pasture. She's been used in numerous brandings and is easy to get along with. She's very tolerable to people and is a very care free horse. She isn't bothered by kids crawling around on her and will do anything you ask of her. Dundee is 100% sound, I am only selling because I need to downsize my heard.
